I understand the purpose of AAHOA PAC and that all contributions are voluntary. All contributions to AAHOA PAC are for political purposes. I am a U.S. citizen or foreign citizen lawfully admitted for permanent U.S. residence. I understand that federal law requires AAHOA PAC to make its best effort to report to the Federal Election Commission the name, address, occupation, and name of the employer of the contributor and the date and contribution amount for each individual whose contribution exceeds \$200 per calendar year. Contributions to AAHOA PAC are not deductible for federal income tax purposes.

By submitting this application, I authorize AAHOA to share my name and contact information with AAHOA's active Allied and Founding Members. I understand that I may be asked to leave AAHOA events and/or my membership may be terminated if I use my AAHOA membership to solicit for business reasons AAHOA members or those attending AAHOA events.

Note: Compliance with the Tax Reform Act of 1993 requires that the portion of dues attributable to lobbying and political activities is considered nondeductible for income tax purposes. This nondeductible portion must be disclosed to members on their dues invoice each year. For the current membership year, AAHOA is, in good faith, estimating that 5% of your dues will constitute non-deductible lobbying expenses.
