

## Year 5 Digital Agreement 2017

### Camberwell South Primary School

Students at CSPS have contributed their ideas about a digital agreement for 2017. In other words this is an agreement created by the students that reflects the kinds of behavior we expect to see when students are using technology at CSPS and beyond the school. Please discuss these ideas about cybersafe behavior with your child before signing the agreement.

- *Don't share personal information.*
- *If you use someone else's iPad, treat it like it's your own.*
- *Is it rude, mean, inappropriate or threatening? Block and report.*
- *Make sure you talk to a trusted adult if something is upsetting you online.*
- *Don't communicate with people you don't know.*
- *If you wouldn't say it to their face, don't say it online.*
- *CSPS - Careful, Safe, Private, Sure*
- *Keep your passwords to yourself*
- *Make all your accounts private*
- *Cyberbullying is simply wrong*
