eSmart Membership

This is the next step forward for libraries awarded with eSmart status. Launching in July, it supports the continuation of education and awareness of online safety.

We will help you assist your community by:

Keeping you current
- Four newsletters a year with the latest news about cyber safety practices
- Exclusive new best practice resources
- An 8-point action Checklist developed by experts at the Alannah & Madeline Foundation

Keeping you informed
- Access to live and recorded webinars for staff professional development
- Research and insights from industry experts

Keeping you supported
- Ongoing one-to-one eSmart support when you need it
- Continued easy access to the eSmart platform

Keeping you connected
- Online forum to e-meet other eSmart library teams
- Engage anytime and share innovative ideas
