

During National eSmart Week, Krisha ran a special eSmart Storytime session for their library community,

"We had a great group of very engaged kids and parents learning all about being safe on the Internet. We read the picture-book '[Chicken Clicking](#)' by Jeanne Willis; illustrated by Tony Ross and some other books about being safe.

We finished with the gorgeous book '[Dot](#)' by Randi Zuckerberg and then the children were given a special Safety colouring book to decorate.

Parents were very appreciative of the theme of Safety and the Handouts that were provided around Being Safe Online."
