Domain 4

Libraries have created online cyber safety page to share with their library community when the library is open or not. These libraries are just a few that present excellent links and cybersafety information in eye-catching ways:

New South Wales

- Lake Macquarie City Library - https://library.lakemac.com.au/research/cyber-safety
- Parramatta City Libraries
  http://www.parracity.nsw.gov.au/play/facilities/library/about_library/policies_and_guidelines
- Riverina Regional Library Services - http://rrl.nsw.gov.au/adults/cybersafety/

South Australia

- City of Charles Sturt Libraries – http://www.charlessturt.sa.gov.au/Online_Safety
- City of Onkaparinga Libraries
  http://onkaparingacity.com/onka/living_here/libraries/online_resources/online_safety.jsp
- Port Pirie Libraries – https://www.pirie.sa.gov.au/page.aspx?u=1809#.WBkVYtV96Uk

Western Australia

- Albany Libraries – http://library.albany.wa.gov.au/programs-collections/esmart/
- City of Stirling Libraries – http://www.stirling.wa.gov.au/Libraries/Pages/Cybersafety.aspx
- Wanneroo Public Libraries – http://library.wanneroo.wa.gov.au/cgibin/spydus.exe/MSGTRN/OPAC/esmart

Queensland

- Logan City Council Libraries – http://loganlibraries.org/are-you-esmart-savvy
- Noosa Library Service – http://www.libraries.noosa.qld.gov.au/cybersafety

Victoria

- Bayside Libraries – http://www.bayside.vic.gov.au/your_library/staying_safe_online.htm
- Brimbank Libraries – http://www.brimbanklibraries.vic.gov.au/index.php/esmart
- Campaspe Regional Libraries
