Viral Hepatitis Nurse-led Models of Care Forum

Date: Sunday, 4 August 2019  
Prior to the Australasian Viral Hepatitis Elimination Conference  
Venue: Pullman Sydney Airport, 191 O’Riordan St, Mascot NSW 2020  
Cost: FREE to nurses practicing in Australia and New Zealand  
Lunch and refreshments provided

This one-day forum is an opportunity for nurses from diverse settings and across the continuum of care to come together, share knowledge and discover new ways of working towards elimination of viral hepatitis.

Forum Theme: Innovation, Agility and Velocity towards Elimination

Hear from nurses implementing nurse-led models of care around Australia and New Zealand. Explore the challenges, benefits and opportunities of nurse-led clinics to improve the outcomes for people living with viral hepatitis.

The program will consist of oral presentations and poster presentations by nurses who are delivering innovative nurse-led models of care as well as interactive workshops based on the APNA building blocks which will focus on reflective practice and encourage new ways of thinking and working.
