

CAPTRUST Community Foundation

Enriching the lives of children in the communities we serve.

OVERVIEW

The CAPTRUST Community Foundation (CCF) is a place where employees of CAPTRUST can give back to their communities through charitable grants and volunteerism. The foundation's mission is to enrich the lives of children in the communities in which we work and live. CCF supports 501(c)(3) charitable organizations that help children with physical disabilities, illnesses, abuse, poverty, absence of a parent, and more.

The foundation was started by, and continues to be wholly run by, CAPTRUST employees, and most of the money donated to the Foundation is given by CAPTRUST and its employees.

CCF focuses primarily on grants, volunteering in our communities, connecting caring people, businesses, governments and organizations to local initiatives that build and inspire community, and empowers them to make informed decisions that will make a difference now and in the future.

We take our mission to enrich the lives of children very seriously. We are fiercely protective over the intent and sanctity of our cause in order to help as many children as possible. They need help and we want to be there for them.
