Flextherm is growing his sales force

Tuesday, July 2, 2019

To our precious customers,

We are pleased to announce that since July 1<sup>st</sup> 2019, we are the manufacturing agent of Flextherm. This partnership has one goal; unite our respective sales and representation force to increase the notoriety of Flextherm with the distributors and specifiers in the province of Quebec.

Flextherm's sales force, supported by Roxanne Tremblay (Sales Director), Martin Falardeau (Representative –Eastern Quebec) and Nadya Lachance (Representative –Western Quebec) will remain. We are only adding our representation expertise to help Flextherm gain non-exploited markets.

In the business for the past 28 years, Flextherm is a 100% Quebec company, in the floor heating field. The quality of their products and of their service has been proven. We are very happy to help them grow and reach their future objectives for the Quebec Province (except Gatineau).
