

# Tornadoes Reported in Georgia

Thanks to Lanita Lloyd, Georgia VOAD President, for sharing this update with us.

As most of you are probably aware, tornadoes were reported in four Georgia counties on 12/17/19. Lanita Lloyd has been in contact with GEMA and the specific counties on behalf of Georgia VOAD, and so far, American Red Cross was the only VOAD requested to support unmet needs – and just in Irwin County. GEMA has provided tarps.

GEMA also provided the following assessment information:

<b>COUNTY</b>		
<b>BAKER</b>	1 home	Minor Damage
<b>BEN HILL</b>	5 homes	1 major; affected
<b>MILLER</b>	2 barns	Destroyed, plus damage to irrigation pivots
<b>IRWIN</b>	37 homes	8 Destroyed; 12 Major; 10 Minor; 7 Affected
	1 County Fire Dept.	Major Damage
	1 Baptist Church	Major Damage

The local communities seem to have resources to support the needs. However, Sarah (from GEMA) will reach out if additional resources are requested.
